The screenshot shows the Feest website interface. At the top, there's a navigation bar with 'Porto > Stock off 2014' and a search bar containing 'Porto'. Below the navigation bar, a search bar prompts 'Buscar uma Festa ou Evento' with a dropdown menu showing 'que irá ocorrer...'. The main content area features a featured event 'SEAT Alhambra Liberty' with a URL 'www.seat.pt/SEAT-Alhambra-Liberty' and a description 'Super equipado de série por 33.400€, chave na mão e 4 anos de garantia'. Below this, the 'Stock off 2014' event is highlighted with a photo of a street scene at night. The event details include: 'Data: Sexta, 21 de fevereiro de 2014 à partir das 10h00', 'Cidade: Porto', 'Local: Alfandega Do Porto', 'Endereço: Rua Nova Da Alfandega', and 'Evento no Facebook'. A description at the bottom reads 'Feira de decoração e objetos de design e decoração'. Social sharing buttons for Facebook (Gosto, Partilhar), Twitter (Tweet), and Google+ (G+1) are visible for both the SEAT event and the Stock off event.
